SPEAK UP, AMERICA!

I am sick to death of seeing our rights erased in America. Gains we fought long and hard for are being curtailed and crushed in the blink of an eye, historically speaking. The Voting Rights Act of 1965 has been decimated. Women's reproductive rights have been stripped away. And now freedom of speech has been walked back to where we are no longer really free to speak…unless, of course, that speech meets with President Trump's approval.

My husband, Larry Flynt, battled all the way to the Supreme Court to expand the parameters of the First Amendment with *Hustler Magazine* v. *Falwell*, a case the Justices *unanimously* decided in his favor in 1988. This landmark decision protected parody from claims of emotional distress by public figures and celebrities. It is because of this decision that you are free to watch and laugh at political commentators/comedians today—like Jon Stewart, Jimmy Fallon, John Oliver and, yes, Jimmy Kimmel.

We clearly cannot take freedom of speech for granted, however. That has become abundantly apparent with the recent actions of Brendan Carr, Trump's appointed chairman to the Federal Communications Commission (FCC). For a detailed analysis of Brendan Carr's step-by-step rampage against free speech, turn to page 9 of this issue, but in September his attacks culminated in a bald-faced threat to ABC and TV station owners Nexstar and Sinclair "to take action on Kimmel" for a moderate remark he made on air about the "MAGA gang…doing everything they can to score political points" from Charlie Kirk's murder. At the time both Nexstar and Sinclair were exploring mergers that would require FCC approval, and *Jimmy Kimmel Live!* was suspended in short order.

But to their credit, Americans recognized this blatant affront to free speech for what it was and rallied in support. Hell, even Ted Cruz declared Carr's threats "dangerous as hell." More importantly, over 1.7 million Americans protested by canceling their subscriptions to Disney+, Hulu and ESPN in the days following the show's suspension. Americans protested with their pocketbooks—and it worked! Less than a week later Kimmel was back, and Carr's efforts backfired to the tune of over 32 million people watching Kimmel's return on TV and social media. Thank you, America! Please continue to make your voices heard, or we *will* lose the right to speak freely.

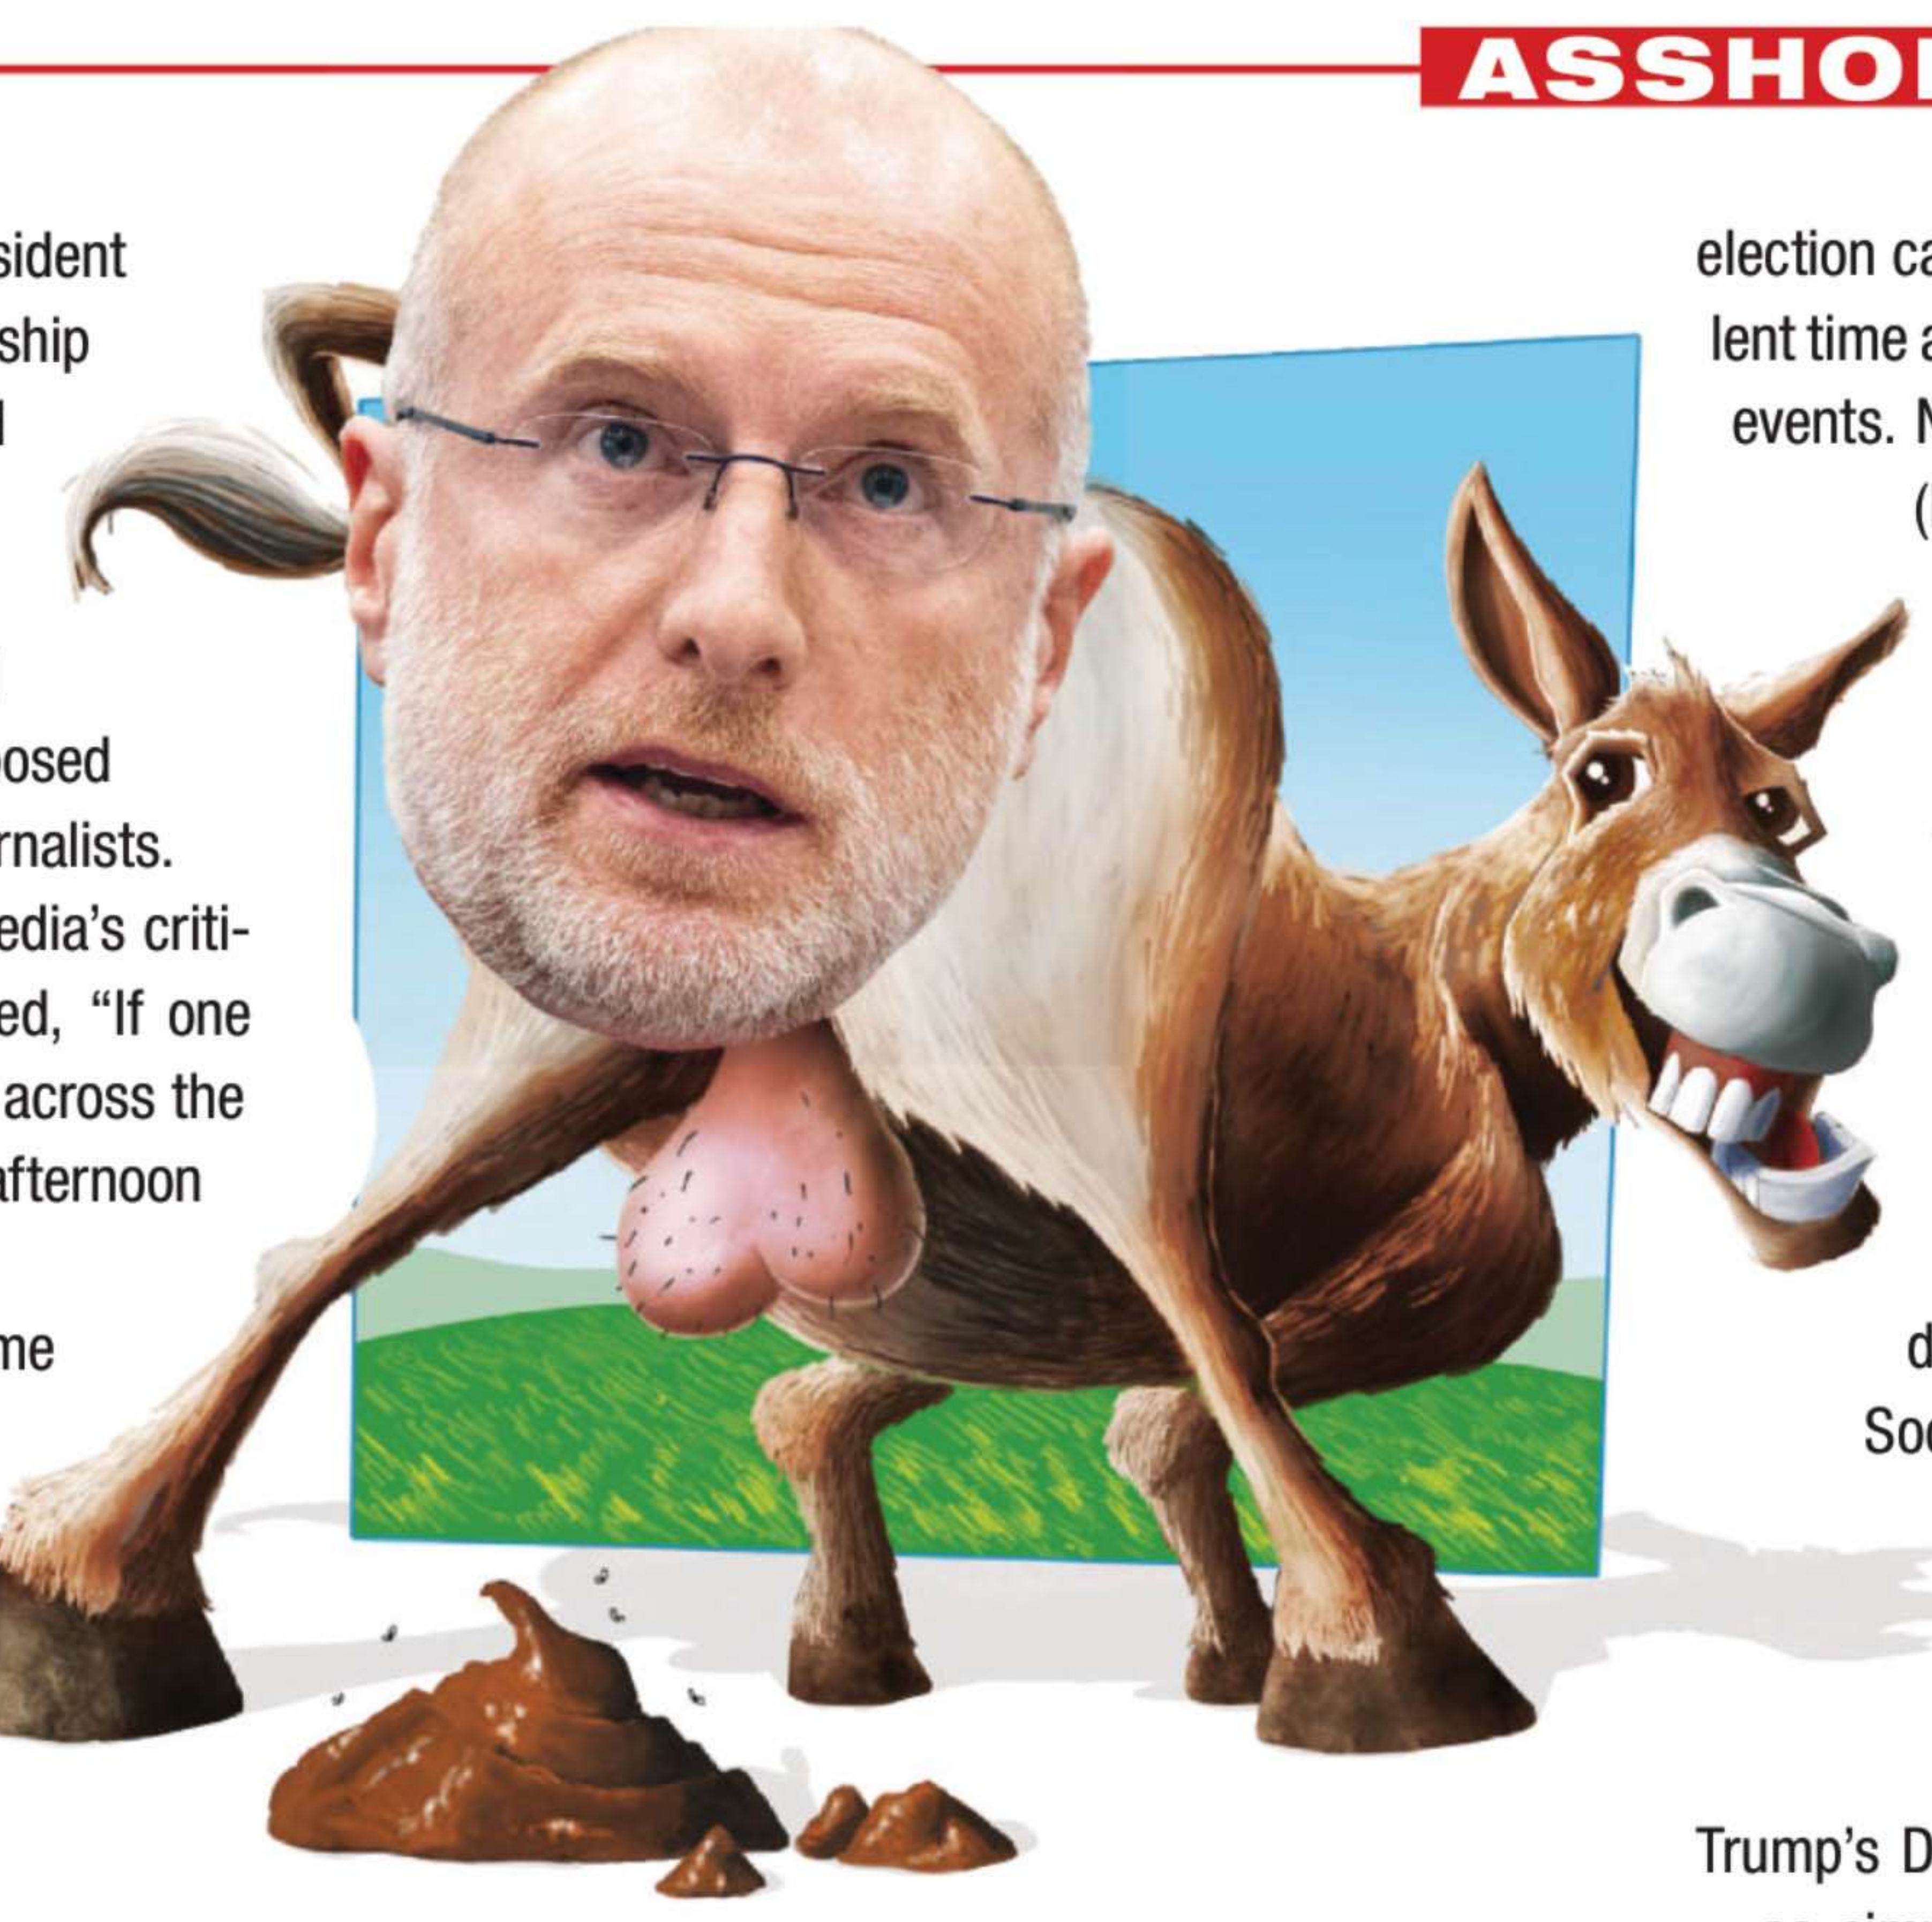
"Yeah, I know…it smells just like shit!"



BRENDAN CARR

Donald Trump is not the first President to have a contentious relationship with the press. John Adams and Abe Lincoln imprisoned journalists they didn't like. Teddy Roosevelt barred reporters from press conferences and sued newspapers for libel. Nixon composed an "enemies list" that included journalists. Lyndon Johnson railed against the media's criticism of the Vietnam War and quipped, "If one morning I walked on top of the water across the Potomac River, the headline that afternoon would read: 'President Can't Swim.'"

But Donald Trump is the all-time champ of presidential press haters. He declared the whole Fourth Estate the "enemy of the American people" in his first term, and now he even spews venom at friendly Fox News when it reports inconvenient facts about the underperforming economy or Dear Leader's declining approval rating. Earlier this year, he barred the Associated Press (AP) from sending a reporter to cover an executive order signing, because the AP had refused to recognize Trump's new name for the Gulf of Mexico—the Gulf of America—in its style guide. So to tame the "enemy" in his second term, Trump appointed loyalist Brendan Carr as chairman of the Federal Communications Commission (FCC). His mission: Use all the power at his disposal to transform the free press from a snarling watchdog into a submissive lapdog.

Carr worked in private practice as an attorney before he joined the FCC in 2012. He was appointed its general counsel in 2017. That same year Trump nominated Carr as an FCC commissioner. Signaling his allegiance to private business over the public interest, Carr promptly voted to repeal net neutrality rules designed to make internet service providers (ISPs) transmit all content equally. But in general, Carr seemed to be for protecting free speech from government interference, with remarks like this: "The American people want more freedom on the Internet—not freewheeling micromanagement by government bureaucrats." A little over a year ago, he said, "If there ever were a time for a federal agency to show restraint when it comes to the regulation of political speech and to ensure that it is operating within the statutorily defined bounds of its authority, now would be that time."

But Trump's electoral victory in 2024, and Carr's promotion to powerful chair of the FCC, have changed his tune. Trump set the stage for Carr's rampage with this whine: "They give me only bad press. They're getting a license. I think maybe their license should be taken away. It will be up to Brendan Carr. I think Brendan Carr is outstanding…he's a tough guy."

As noted, many Presidents have griped about "bad press," but none have dared threaten to revoke the licenses of media companies over it. Aside from that outrage, the FCC does not even license larger television and radio networks. So add another chapter to the encyclopedia of Trump's ignorance. No, the "tough guy" couldn't kill the nonextant licenses for ABC, CBS, CNN and the rest, but he could extort and kneecap them in many other ways, and that's exactly what Carr proceeded to do, all the happy talk about the sacrosanct First Amendment be damned.

When telecom giants Verizon and T-Mobile both sought approval for separate merger deals earlier this year, Carr forced them to ditch their diversity, equity and inclusion (DEI) personnel programs before signing off. Noninterference by government in the private sector was once a sacred Republican principle, but not under Trump's quasi-dictatorship. During another merger, between Skydance and Paramount Global, the parent company of CBS, Carr launched an investigation into CBS's *60 Minutes* program over an interview with Kamala Harris it broadcast before the last election, alleging that it was intentionally deceptive. This coincided with Trump's lawsuit over the same issue, resulting in a $16-million payday for Trump as Paramount folded and settled, even though the lawsuit was considered frivolous by many legal experts and press freedom advocates. The merger was ultimately approved after Paramount gave concessions including ending their DEI policies and installing an ombudsman to ensure a "diversity of viewpoints." Another apparent casualty of this merger was *The Late Show with Stephen Colbert*—one of Trump's most savage critics. CBS announced Colbert's show would be canceled days after the host criticized Paramount's settlement with Trump. How convenient.

Carr had also slammed NBC for allowing Kamala Harris to appear on *Saturday Night Live* during the election campaign, even though NBC offered equivalent time and audience for Trump during two sporting events. Next, Carr went after National Public Radio (NPR) and PBS, falsely alleging that their underwriting spots thanking donors were illegal commercial ads. The FCC has no regulatory authority over NPR and PBS, but the pressure campaign helped the GOP-led Congress to cut off public funding for these venerable public broadcasters.

Carr targets Trump's media "enemies" with a sleazy call-and-response routine: Trump posts a gripe about bogus "news distortion" on social media, usually Truth Social, inspiring some right-wing outfit or individual to file a formal complaint that Carr is then obligated to investigate. This happened when NBC described Kilmar Abrego Garcia—the man Trump's DOJ illegally deported without due process—as simply a "Maryland man." The right-wingnut Center for American Rights (CAR) then filed the formal complaint, triggering Carr's attack-dog act.

Of course, Brendan the Bastard's most outrageous hatchet job was against Jimmy Kimmel. Soon after the murder of Charlie Kirk in September, Jimmy Kimmel was blasted by right-wing commentators for remarks he made in the wake of the assassination. The "MAGA gang," the late-night host began, is "desperately trying to characterize this kid who murdered Charlie Kirk as anything other than one of them and doing everything they can to score political points from it."

Carr was furious, telling right-wing podcaster Benny Johnson in an interview: "Frankly, when you see stuff like this…we can do this the easy way or the hard way. These companies can find ways to change conduct, to take action on Kimmel, or there's going to be additional work for the FCC ahead." With that sword dangling over their heads, ABC, Nexstar and Sinclair suspended the Kimmel show—for a casual remark in a comedy monologue that displeased the MAGA boss! (ABC revived Kimmel after less than a week, but Nexstar and Sinclair continued the suspension slightly longer.) Even some Republicans were outraged by the mafia tactics, including Ted Cruz, who declared Carr's threats "dangerous as hell."

Years ago, Carr once stated, "A newsroom's decision about what stories to cover and how to frame them should be beyond the reach of any government official." What happened to him, this former champion of free speech? Here's a clue: He used to wear an American flag lapel pin, and now he wears a Trump lapel pin. That speaks volumes about where his true loyalty lies now—with the wannabe dictator, not the U.S. Constitution. Yes, Brendan Carr is a sick Asshole—sick with an obsession to please Trump. And it appears the only cure will come with the end of the Orange Buffoon's reign of terror in America. H

I like to think I can get along with just about anyone. People feel comfortable opening up to me and telling me their life story when we first meet. Maybe that's because I'm so open myself. Trust me, you don't have to ask me twice to tell you what's on my mind—a lot of times you don't even have to ask me once!

"Meeting different people is one of my favorite things about being in porn. This is a truly special community. The people in this business understand each other so well, because sometimes it really does feel like it's us against the world. With each shoot, I love this job a little more. Of course, having access to so much cock is a great perk too. There are some weeks when I get fucked by four different guys—*and* get paid for it. What more could a girl ask for?"

FUCK ME LIKE YOU MEAN IT

PHOTOGRAPHY BY
LARRY FLYNT PRODUCTIONS

We only go around once in this world, and as far as I'm concerned, life is too short for three things: negativity, regret and mediocre sex! Trust me, I've had my share of guys who eat pussy like they're afraid it's going to bite them and fuck like they think they might break me. So lame!

"Listen up, guys—when it comes to getting it on, go hard or go home! Bury your face between my legs and chow down like you've been stranded in the desert for days. Cram your hard cock balls-deep down my throat when I'm blowing you. And when it's time to fuck, pound that snatch like you're trying to split me in two! You won't, but you'll definitely gain my respect—and an invitation to bang me again sometime soon."

FOREIGN AFFAIR

PHOTOGRAPHY BY
MATTI KLATT

The young European woman with cascading brown hair is a vision of beauty as the sun sets behind a quaint village. You're on vacation in an unfamiliar land and think perhaps those lunchtime drinks may be playing games with your mind. Why else would a goddess be staring at you?

The gorgeous brunette smiles as she approaches and says something in a breathy language you don't understand. As you struggle to figure out what is happening, she grabs your hand and pulls you off the bustling cobblestone street into a dark alley. Your heart races as you wonder, *Am I gonna get laid, or is she luring me into a trap so someone can knock me out and take my kidneys?*

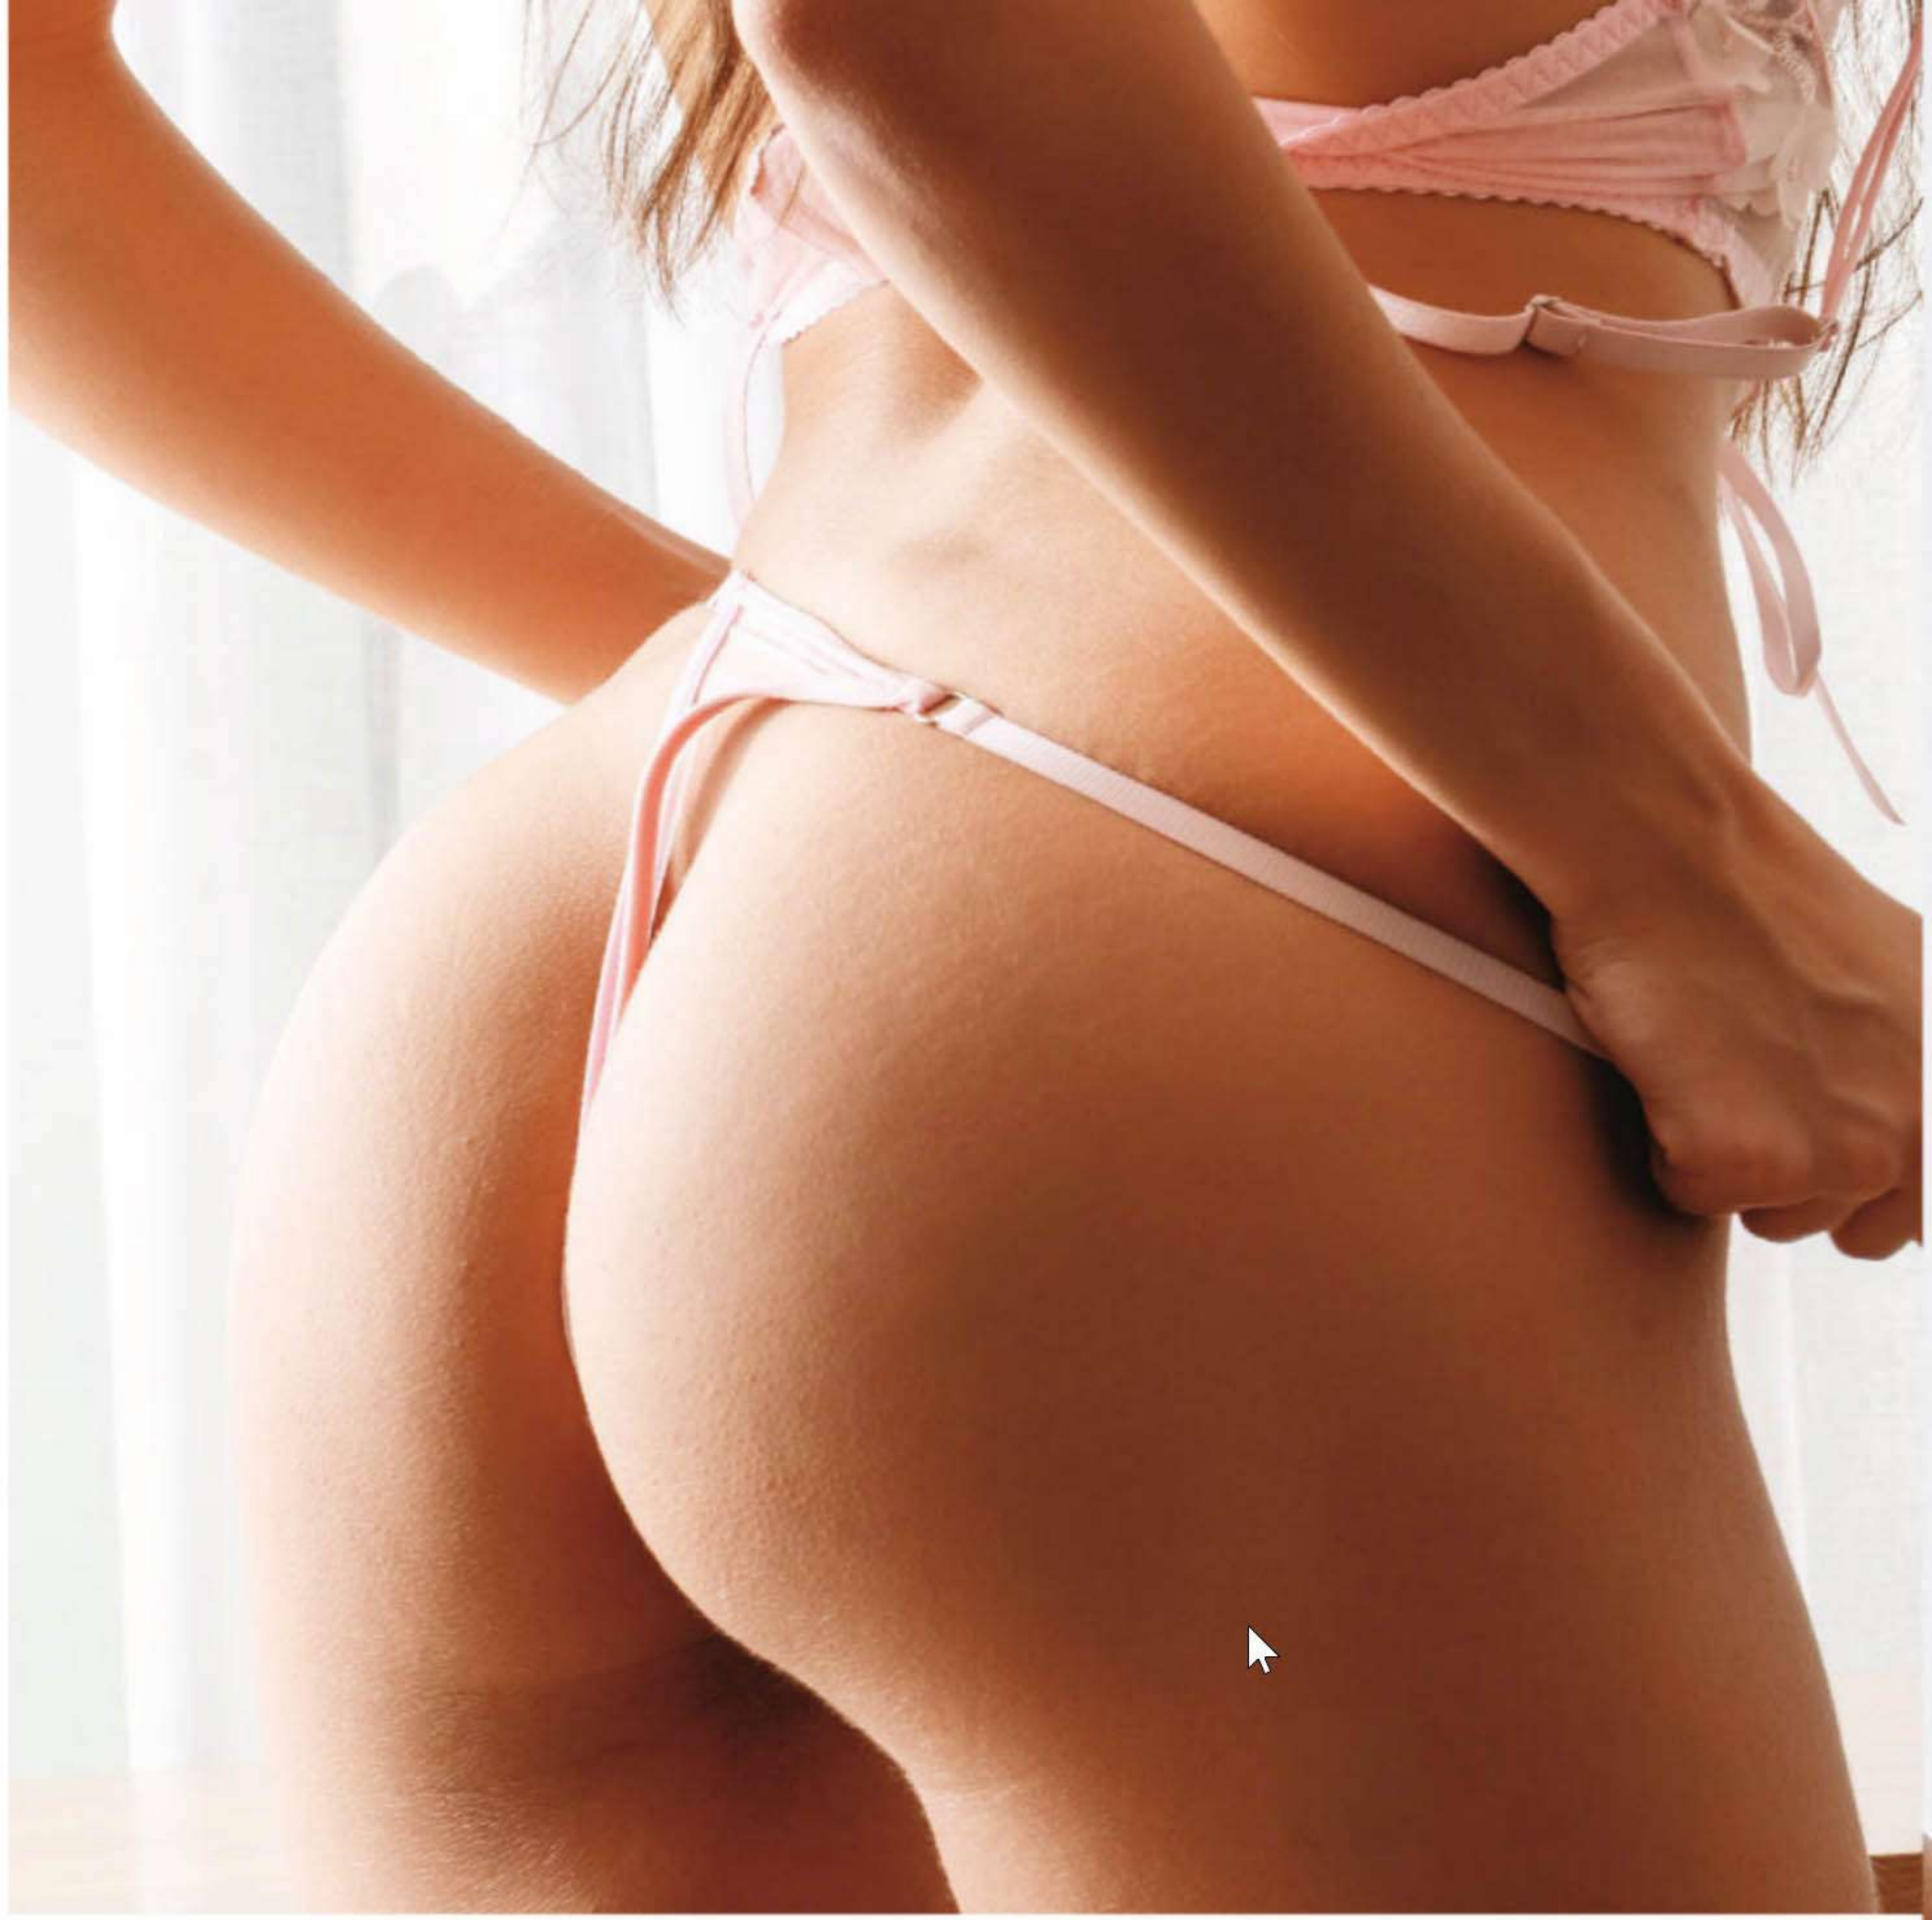
DAVIDE ESPOSITO



My life is like *Alice in Wonderland*—full of magic and adventure. Which is part of why porn is such a good fit for me. I love the passion, emotions and playfulness that I get to experience when I'm filming a scene. Of course, I can be pretty playful off camera too. I once had sex on a Ferris wheel, which is probably the wildest place I have fucked so far.

"I tend to go for older, intelligent guys—the kind who have experience and know how to keep things interesting in the bedroom. I like to be fucked gently at first, then roughly. A lot of younger guys don't have the patience to create the kind of build-up that I crave. Of course, for the guy who does know how to take his time with me and do me right, I will make it worth the effort. I love to give head, and I'm very good at it. And of course, I swallow!"

Give it to me good!

ANAL TITANS

BOW DOWN TO THE BAD GIRLS OF BUTT STUFF

INTERVIEWS BY JOHN BLAYLOCK

For fans of anal sex in porn, no one ever forgets their first extreme scene. Double anal, triple anal, XXL insertions, fisting—instant dopamine hit. Pure, wide-eyed awe.

More than just a neat party trick, being really good at butt stuff is no different than being a pro athlete. Granted, some are born with natural abilities, but for the most part it requires perseverance, dedication and hard work.

Filled up and turned on, a new vanguard of porn princesses are baking cakes in their colons and breaking new ground every day. These are the anal titans, folks: six intrepid trailblazers, no holes barred.

LYDIA BLACK

Sexy succubus Lydia Black is a witchy slut who's happiest with a thick dick in her ass and a vibrator on her clit. An anal virtuoso trained to say "Thank you" every time she comes, Lydia has plenty to be thankful for: In 2025 she moved to Prague, married the love of her life…and gets paid to make the world a better place with her gorgeous gape. She's a student of shibari and latex couture, but when it comes to sphincter-stretching acrobatics, Lydia is a master of her craft.

HUSTLER: Everyone has an origin story. What's yours?
LYDIA BLACK: Ever since I was of legal age, I knew I wanted to be a sex worker. I've been in the adult industry now for ten years. I started as a fetish-bondage model in Tampa, Florida. Then I decided to pursue mainstream porn, so I moved to Las Vegas and started working for companies out there.

I love exploring my sexuality and making other people feel like it's normal and okay for them to explore theirs. I guess that's just part of growing up in a strict religious household—you see the hurt and the bad feelings that shame can cause.

You've worked for Burning Angel, Kink, Adult Time and Evil Angel. That's quite the filmography! How did you do it?
As a tattooed slut, it wasn't easy breaking into the industry. Eventually Mike Adriano gave this inked-up, anal-loving freak a shot. After that I signed with ATMLA and was able to start working for all the big companies.

Take us back to your first DAP (double anal penetration) scene. What do you remember about that fateful day?
Going to Prague for the first time to work for LP [Legal Porno, now AnalVids] was a major life-changing moment for me. I was so nervous. At the time, Giorgio [Grandi] was still working the camera and his smile, let me know I was doing a good job. Toward the end of the shoot, he told me he enjoyed the performance so much that he wanted to personally add a cumshot to my face! That's when I knew I was an anal star and the scene was going to be a bestseller. Once I experienced the amazing feeling of two cocks sliding in and out of my ass in rhythm, I was addicted.

What would you say are the biggest differences between American and European hardcore?
In the U.S., you don't really see gangbangs on such an epic scale. But American directors like Proxy Paige prove to be the exception in her embrace of the European hardcore style.

Speaking of Proxy Paige, how was your recent trip to Montenegro?
Proxy and I are kindred hearts. We are both crazy girls who love hardcore anal, gapes and exploring Europe. She invited me on this wild journey to film some filthy porn on the Adriatic Coast, and it was so much fun!

Proxy, Monika Wild and Megan Inky picked me up from the airport, and we drove to our first destination, a beautiful 300-year-old villa. The next day my Black sisters—Morea Black and Kristy Black—arrived for an epic all-girl anal scene that we shot outside on a beautiful terrace overlooking the bay of Montenegro. You could actually hear butthole noises echoing through the valley below.

The whole trip was an experience I will never forget—especially the part where I got to fist Proxy's iconic ass! She made me gape so

wide, even sang sweet songs into my cavernous butthole. It was a full-circle moment in my career, as Proxy has taught me so much.

Anal ambitions? Is there anything you haven't tried yet? Where do we go from here?
I've done many DAP scenes, even TAP (triple anal penetration). I've been double-fisted, even had two fists and a dick in me all at once. I put the world's largest gummy worm in my asshole. I've taken Dredd balls deep, and I have a plethora of insane anal toys I love to use. I'm ready to find my next conquest, but I want it to be my own content! Keep an eye on my platforms and follow all my anal adventures.

Porn stars are like elite athletes: You're the best at what you do, and you train hard to do it. How much work goes into being one of the best butt sluts in the world?
Training for extreme anal is a two-part discipline. If you're new to anal, then you want to start out with small toys and work your way up. The asshole is a muscle like any other, and you have to take it step-by-step before shoving anything too big in there. This can damage not only the skin around the muscle, but the muscle itself. When I was training, I would try to stretch every day.

The other part is cleaning out. This is different for everyone, as no two digestive systems are the same. For some people it can involve a complete change of diet, while others choose to fast. Keep in mind that some things are harder to digest than others, for example leafy greens. This may be a little TMI for some, but the truth is, you want your stool to be nice and solid.

My best advice? Listen to your body. There's definitely a bit of trial and error, more so for people with conditions like IBS. Figure out what works for you.

REBEL RHYDER
PHOTOGRAPHY BY FLIGHTLIFEMARS

REBEL RHYDER

There is nothing quite so infectious as Rebel Rhyder's joyful smile, especially when she has three huge Euro cocks stuffed in her ass at the same time. Soft-spoken and humble, you wouldn't guess that she is the benchmark for anal insanity. The aeronautical engineer turned porn star—and now director—opens up wide with candid confessions about her favorite gangbang and how to bake a cake inside your bootyhole.

HUSTLER: Your anal origin story is kind of adorable, even romantic. How did it all begin?

REBEL RHYDER: I was 22 the first time I tried anal, and it was with my husband Rex. I knew it was something he was into, and I thought it would be fun to try. The first time was very slow and gentle; I really enjoyed it and wanted to do more.

We purchased some toys, and one was a rather large dildo. He dared me to take it in my ass as a joke, but as someone who never backs down from a challenge, I had to try! To our surprise, I was able to fit it without too much struggle. That's what started this whole journey of, "Well, now we have to try something bigger!"

How did you make the extraordinary leap from regular butt sex to extreme anal?

When I got in the industry, I had already been doing anal for a couple years, and it was something I really enjoyed. So I didn't wait to perform anal on camera. I just jumped right in!

At my first Exxxotica expo, I was shooting a gangbang, and one of the guys mentioned double anal. I got super excited, since it was something I had never heard of before. I just had to try it! We went slow, but we did it, and I was so proud of myself.

Would this be around the time European companies started to notice you?

Yeah, it was right around that time, maybe just a month or two later. My first trip to Europe was right before COVID hit, and I was supposed to go back again, but by then it was too late. By 2023, I was back in Prague at least four or five times that year and all for Legal Porno.

I love the one where you and Dee Williams are depraved nuns. What LP scenes are you proudest of?

I did a three-hour marathon scene that was really special to me because it included everything—double anal, triple anal, fisting, pee, BDSM, deepthroating—all thrown into one long, massive and pretty much ongoing scene. I think we only cut once, and that was just to deal with a slight positioning issue [*laughing*]. It was awesome.

The other is my first quadruple anal, an extremely memorable experience! It had been something I'd wanted to do for a long time, so when I finally got to do it, I was like, "Yay!" Oh, and my bridal scene—I got to wear a wedding dress to a ten-guy gangbang!

Would it be fair to say that you're a natural when it comes to all things anal?

I think so. I guess I'm gifted with being kind of stretchy down there? Obviously, I had to work up to it, but the more I did anal, the more I wanted to do it.

So can anyone become an anal titan with enough practice? Or does physiology matter?

Physiology definitely plays a role. Like athletes, some people are built to have more flexibility, strength, etc. And some people just have stretchy buttholes! That doesn't mean someone can't do extreme anal if they aren't naturally stretchy; it just means they have to put in more effort and training. For me, it's mostly from consistency, without overdoing it.

Do you have a favorite type of anal play?

[*Long pause.*] Hmm. That's a hard question. One thing I've been doing a lot lately, because I really enjoy it…if it's a one-on-one with a guy, I like when he goes in my ass and I jerk him off inside of my ass. So like I'm fisting myself and he's fucking me. It's kind of like double anal, but also a handjob and fisting and all of that [*laughing*].

Wow. With a degree in engineering, physics must be second nature to you! Do you ever approach sex as a scientist? Force, resistance, pressure, etc.?

Yes, all the time! I love it. I'm always taking measurements, methodically increasing the diameter of my gape, experimenting with toys of different shape, length, width and texture, etc. I also conduct silly experiments, like cooking food in my butthole. I think my background in science made me more…creative when it comes to anal? I don't know [*laughing*]!

I once saw a clip of Casey Calvert preparing a cake in her butthole. What did you make?

I've made cookies, soup, banana cream pie and scrambled eggs. Pancakes was my favorite!

What about safely experimenting with size and stretching?

Lube. Lots of lube. You can never use too much lube! Also, use the right toys for you, made from safe materials. Insofar as texture, I like soft textures for bigger toy play and stretching. If you're using a toy that's very hard and rigid, without any give—for example, glass, metal—then chances are it's going to hurt. Whereas if you're using a toy that's soft and flexible with a little give, then that's gonna be a thousand times more enjoyable than a toy that's not.

Let's dispel myths about anal sex. What are some common misconceptions?

A lot of people think that it hurts. This is very true of people who have only tried it once or had a bad experience. The thing that I tell people most often is that anal shouldn't be painful. It could be a little uncomfortable at first, but it shouldn't be downright painful or not pleasurable at all. It's important to use lube, it's important to go slow, and it's important to be turned on. There is so much you can do to make it an enjoyable experience.

IVY MADDOX
PHOTOGRAPHY LAYLA KOSIMA

IVY MADDOX

No ifs, ands or butts about it: Plucky perv Ivy Maddox is on a path to anal supremacy as she goes global with her indomitable donut hole. While she didn't take an instant liking to anal sex, Ivy has blossomed into an aficionado of all things extreme, nasty and rectal. Pro tip: Nondairy whipped cream is your friend!

HUSTLER: It's fascinating—and a little scary—how a snowboarding injury set the stage for your exciting, anal-tastic new life as a jet-set porn star. How exactly did it all unfold?

IVY MADDOX: When I broke my neck on a snowboarding trip, I came back to London and met someone who introduced me to anal queen Proxy Paige. She was like a mentor to me and became my first agent. It was Proxy who helped me book my first Legal Porno shoot in Prague. At the time, I was already heavily involved in the London kink scene. I loved anal and knew I was good at it, so I thought, *Fuck it, why not! Let's make some porn!*

That trip started out as a bucket list item for me, but I knew as soon as I got home how this was no one-time fling. I needed to get back to Prague for some more extreme anal ASAP!

You have quite the collection of stamps in your passport: Japan, Australia and New Zealand to name a few. Have you had anal sex in every country you've visited?

I must have. I usually fuck on a first date if there is chemistry, and I'm very upfront about what I like.

I remember how Japan was *so* cold. I had these snowboarding dungarees with a flap in the back—a very convenient feature, especially for impromptu anal! My boss shagged me up the arse behind a pile of snow outside the bar I worked at. I didn't even feel the cold; it was so hot, the idea of getting caught and the fact that he was my boss!

Do you have a favorite scene? I feel like such a hypocrite asking, because there's no way I could pick just one.

Definitely my TUSHY debut! It's one of my favorite projects to date, because I got to combine my passions for snowboarding and anal. I'd love to do another shoot like this. A gangbang in a gondola would be amazing. Just got to find one big enough!

I also loved working with Lydia Black for our DAP shoot with Gonzo Studio, because she is one of my best friends. The energy that day was incredible. Once they yelled "Cut," we continued fucking the guys off camera. I asked the director to get the baseball bat that I had seen earlier—I wanted to see if I could fit it up my ass. Spoiler alert: I did!

What anal sensations do you love the most? Stretching, deep insertions, toys—do you have a preference?

I love the feeling of being super full in all my holes. I also really enjoy depth stuff, like long alien tentacle toys. I can get those really far up there.

Do you remember your first time?

The first time I tried anal, it hurt, so I was put off from doing it again for ages. Then I met someone who was really into it, and he trained me, slowly and gently. I worry that people watch hardcore anal porn and think that is how to have sex. What you don't see is all the prep and stretching we do to warm ourselves up before you see us getting pounded. If someone has never done anal before, go soft and slow. Listen to your partner and go at their pace.

True or false: To celebrate a year of sobriety, you gave yourself a no-limits anal gangbang?

True! Twelve guys, one for every month I stayed clean. My friend organized it for me and picked top shaggers from the London kink scene. It lasted five hours, and it was the best day of my life. I did DP with all the guys and DAP with whoever wanted to.

Extreme anal play requires extreme attention to safety. Because no one wants to have that conversation with an ER nurse. Any tips?

I'm always the friend who gets called when someone thinks they need to go to the ER because they lost something up there. If you know you have a greedy ass, make sure the flare at the end of your toy is wide enough so that it doesn't accidentally slip inside your butt.

What does the future hold for England's premier anal queen?

What is left for your asshole to conquer?
I've taken some time away from studios to focus more on creating my own content. I'd love to work with Dredd. I worked with Girthmaster and he was amazing. There are so many huge cocks in the industry that haven't stretched my ass out yet, and I *love* a challenge! *Hehehe.*

TAYLOR NICOLE

Taylor Nicole's love of extreme anal sex can be traced back to when she was doing live kink shows in dungeons. Today she's riding a career high, winning an AltStar Award in June (Fan Favorite Gonzo AltPorn Video, Slut Walk Arizona*) and hatching plans to build her empire of filth. If loving rough big-Black-cock (BBC) anal gangbangs is wrong, this dirty whore don't want to be right. Welcome to Taylor's wild ride.*

HUSTLER: Is anal sex something you've always enjoyed, or did sex work open the door?
TAYLOR NICOLE: I've always enjoyed anal in my personal life. When I lost my virginity, I had anal sex the very next day. I make it a rule to never do anything on camera unless I've at least tried it in my personal life first.

My research indicates that you have an undying love for BBC anal gangbangs. Discuss!
I just love BBC in general and seeing how big I can go when stuffing my ass. With gangbangs, BBC performers seem to appreciate it more. I love being a slut, I love being a dirty whore, I love being called names, and BBC performers—the ones I've worked with—are more comfortable being rough how I like it. They're more willing to just go crazy with me, which is exactly what I want!

In 2023 you had sex with an astounding 42 guys for your birthday gangbang. Was it an all-anal extravaganza?
That was the Tadpole [tadpolexstudio.com] gangbang that I did. The first half was anal and vag; then the second half was all anal.

Were you sore afterward? Any reflections on the experience?
I had so much fun—best birthday surprise ever. Honestly, I wasn't sore, but I did take a very long Epsom salt bath afterwards.

I imagine self-care is an important part of your routine.
Definitely. Especially since I don't like having to take breaks. That's why I've developed a great routine for recovering after a particularly muscle-taxing scene. For instance, I'll also add some argan oil to my bath, a natural anti-inflammatory.

I believe your first DAP scene was for DP Divas? How was it?
It felt amazing. I had done it with toys, but never with real people. I told the boys, "I think it's gonna work, but I don't know!" And they were very reassuring, saying, "We'll figure it out—we got you!" There was a moment when we got the DP done and we were setting up for the double anal, and the dicks just…slid in! I finally understood.

Any plans to visit Prague soon?
Yes! I want to do at least two double anal orgies/gangbangs. I also love the rough shoots that they [LP] do. CNC [consensual nonconsent] is so hot.

You're working on a new website. What can fans expect from their favorite dirty girl performer?
Unfortunately, LoyalFans doesn't really like the stuff I do, so I'm building my own website focused on extreme anal scenes, gangbangs, orgies, BDSM and more. There will be a lot of fisting, a lot of squirting, a lot of BBC gangbangs and anal *everywhere!* That's where I'll be releasing more of my double anal scenes that I filmed and directed myself.

Nothing beats a good sluts-behind-bars movie. Tell us about Taylor Nicole's *ALTKATRAZ*. >>

TAYLOR NICOLE
PHOTOGRAPHY BY IVAN THE DIRECTOR

It's a prison for dirty whores. We just wrapped filming. I direct and perform. It has an all-girl orgy—six girls—a BG anal scene and a five-person DP orgy. We rented out a whole prison set. The guys were the guards, and they fucked the shit out of us.

Normally I don't like to focus on negative stories, but for the sake of safety and helping others avoid injury, what is your worst anal experience?
Thankfully, I only have one really bad horror story: It was my second double anal scene, a foursome, and the other girl cut me with her nail! For some reason, she decided to put her press-on nails in my asshole, and when she pulled out, I squirted blood all over the poor guy behind me. I was so upset at her. I've been very lucky for the most part, but that day I was screaming at her because it hurt so much. That's why fingering me is a hard NO. The experience taught me a lot about the importance of communication, asking questions and listening to your scene partners.

What about your most memorable extreme anal experience?
Last year I did a six-girl rainbow-puke-anal-fisting orgy. I dressed each girl in a different color, then had everyone puke the color of the rainbow. We fisted Rebel [Rhyder], I puked into her gaping asshole, and she sprayed it everywhere like a little volcano. Then it was my turn!

You love what you do, and it shows.
I cherish the creative freedom I have as an extreme anal performer to do what I love, on my terms. And I'll never compromise—I'm always trying to fit bigger toys, bigger dicks in my ass. I would love to do a 100-guy BBC anal gangbang one day. I want *that!* And I want to share it with the world.

YHIVI

Welcome back, Yhivi! This much-loved cutie-with-a-booty is back following a six-year hiatus, and no one is happier than us. A little older, a lot wiser and hornier than ever, Yhivi still loves the rough stuff we all know and love her for. The difference, however, is intentionality. Yhivi 2.0 knows who she is and what she wants: wellness, balance and getting railed!

HUSTLER: May I ask why you chose to step away from adult entertainment?
YHIVI: It just wasn't sustainable for me anymore. When I started out in the industry, back when I was 18, it was really fun. But leading up to when I left, which was very abrupt, I was quickly heading toward burnout. By then it wasn't fun anymore, and it's hard to do something well when you're not enjoying it. Sex work and extreme sex can take a lot out of you. I needed to step away and tend to my own needs, so I left.

***Sustainability* is such a great word to use when framing this kind of decision. There's no shame in pumping the brakes to preserve your well-being.**

YHIVI
PHOTO BY DEAN CAPTURE

Exactly. And it was very much a personal choice related to my needs, allowing myself to become a young adult outside of the public eye.

What made you decide to come back?
I guess it just took six years for me to feel like I knew myself enough, to want it enough…and for the industry to change in certain ways that make me feel more confident.

Describe your anal debut for us.
My first anal scene was with Mike Adriano and Alina West. It was fun! Mike has a huge penis. It was within the first year or so that I started shooting mainstream. We stuck gummy bears up our asses, which we then proceeded to shoot out in between getting fucked. When I look back on it now, I can see how nervous I was. You can sort of tell that it's the beginning!

The first time I saw you do hardcore anal was for HardX, directed by Mason. And if I'm not mistaken, it was kind of a happy accident?
Yes! I believe I was a last-minute replacement—I may have even been called the morning of. I remember being really excited, not just for the chance to shoot for a company and director I really wanted to work with, but that day specifically I was like, *I really need to get fucked.* I was so horny!

This was my first time working with the male talent too, and he really, really pounded me hard. It was so intense and definitely a new experience for me. I had a great time that day—it felt like the perfect moment to push my limits because I knew I was in good hands. I had a feeling I would enjoy rough anal, and I was right. The stars aligned that day.

Was your first DP also for HardX? Talk about intense!
Yes, with Markus Dupree and Mick Blue. I don't know how graphic we can get here, but…

As graphic as your heart desires.
Okay, so as you know, it is a butthole, and sometimes you don't clear everything out. We had gotten into the scene, and well, I needed help. It was mostly water, and Mason suggested Markus help me get it out with his penis [*laughing*]. So we went into the bathroom and got it done. I remember thinking, *This is really hot and fun.*

When I'm prepping for an anal scene, making sure everything is clear and good to go, I find it's good to use a dildo. Dicks are like plungers, essentially.

The buildup to an anal scene, from prep to shoot, is a process. Another way of looking at it is as a ritual. By extension, can anal sex be a spiritual experience?
One hundred per cent yes. Ever since I started shooting anal again, I feel like I'm even more methodical and thoughtful about my body and its rhythms. I am considering what I'm eating and the rest that I need, sometimes days before a shoot. I have a higher regard for the process—not that I didn't before—but back then I was still figuring it out. It does feel very spiritual because I am like a vessel. Something happens when I'm getting fucked in the ass that can be quite nasty, but there's no ego. Only the moment. And getting railed.

Your pre-hiatus output is iconic. Have your attitudes toward anal, specifically extreme anal, changed at all since your return to porn?
I love the rough stuff. I do need to be a bit more measured in how I approach it, both in terms of how I prep and the headspace I'm in. Also, tending to myself after a scene—that high is lovely, but it can't be sustained long term. For me, it hasn't been so much, *Do I want to do this?* But rather, *Can I do this in a way that's healthy for me, without all the insane ups and downs?* You have to keep that middle ground going somehow.

I've had time to reflect on some experiences in the past that weren't so great, and that also informs who I am today as a performer. Now I feel a lot better equipped to enjoy it.

SOPHIA BURNS

The feral butt slut of your dreams, Sophia Burns is carnality incarnate. No dick or dildo is too big, no act too depraved—if it can fit, you best believe she sits. A fan favorite for her breathtaking anal skills and bottomless deepthroat, Sophia makes no bones about who she is: an unapologetic cock sleeve who breathes hardcore. Don't even bother asking her what hole she wants it in, because the answer will always be the same.

HUSTLER: The year is 2021, and COVID restrictions are not gone but definitely relaxed enough to get on with our lives. So what's the first thing you do?
SOPHIA BURNS: I got into porn. I was already having a lot of fun sex in my personal life, so I knew it would be a good fit for me. I was a fan of gonzo porn before I got in the business, so I always had a goal of making gonzo porn. Anal and deepthroat are my favorites, so I knew I would do lots of that as well. I even had my first feature dancing gig last May in NYC!

Congratulations! You say you've always been into anal. Can you elaborate?
From the very first time my once-tight butthole was penetrated by a thick, throbbing meat pipe, I knew what the future had in store for me: an anal cock sleeve for all to enjoy. To say "I love anal" is like saying, "I love to breathe." This is who I am.

As a fan of gonzo, whose buttholes molded your impressionable young mind?
I grew up watching Sasha Grey, Jynx Maze and Annette Schwarz. They fried my neurons and made me the porn-brained slut I am today. And you know what? I wouldn't go back and change it for anything!

Your studio work is sublime, but nothing is more raw and real than the smut you create. What would you consider your best work?
My most popular scene is my 2024 12-man fan gangbang. But my personal favorite? Definitely my first double anal, with Chocolate God and Slimpoke. I remember preparing and thinking to myself, *I hope I'm ready to fit both of their massive cocks inside of my asshole at the*

>>

same time! But then on set, when it came time for them to fuck me together in my ass, they both slid in so smoothly and effortlessly.

What's it like, being stuffed by two cocks at once? What's going on inside your head?
The thing that stands out most about being split open by two massive cocks is the feeling of them going back and forth inside of me at the same time. It really is a unique feeling. In my head all I'm thinking is, *Please blast your hot semen deep up inside my intestines and then keep pumping back and forth until it slops out all over so I can suck it up.* I never want to waste any, not even a drop! If you weren't already aware, I am a *super slut* for anal creampies.

I wanted to congratulate you on your 2025 AVN Award nomination for Best Anal Sex Scene. How does it feel, being recognized by your peers for doing what you love most?
It's a wonderful feeling! I think being nominated for an AVN is almost exactly the same as winning the award. I am truly happy and honored to be noticed for all of the hard work I put in, or "gets put in me."

Is it safe to assume that you're also a fan of sloppy ATM (ass to mouth) action?
My favorite taste ever is literally the taste of asshole. My own asshole, another girl's asshole, cum-filled assholes, sweaty post-workout asshole, morning asshole—I *love* asshole! I wish more guys in porn loved having their assholes eaten, because I would make them take me out on dinner dates every night!

Pussy sex or anal sex?
I want the world to know that I would choose anal sex over pussy sex every single time. I come so hard through my sloppy dumper. Pussy penetration doesn't even come close to making me feel the way my asshole does. If you ever hear me *not* talking about anal, bend me over and shove a fist deep up in my dirt tunnel and make me dumb because my brain must not be empty enough.

You had me at "dirt tunnel." Is that your happy place? Brain turned off, asshole stretched to the limit?
Asshole stretched to the limit—that's a very intriguing concept. I oftentimes wonder, *How big will my asshole stretch? Is there a limit? Will I ever reach my limit?* I have been heavily practicing to stretch out my asshole ring for the last year, and I'm very happy with where I've gotten it to. But I am not satisfied, nor am I sure I ever will be. I need to go bigger, wider, more hollow! I've also been doing depth training with very long slinks. I'd like to eventually be able to get fisted elbow-deep…at least.

Okay, all this horny talk is making me want to do anal right now, so it's "brain off and empty" time for me!

GETTING HER KICKS

LARRY FLYNT PRODUCTIONS

Aside from porn, one of my biggest passions is martial arts. I've been practicing karate since I was a kid and am now a third-degree black belt. I also did competitive MMA for years and had a very good record. I'm not violent by nature though—only when I'm facing off against an opponent.

"Mostly, the word that best describes me is *horny*—my sex drive is off the charts. I masturbate up to six times a day, and my wand definitely gets a workout. So I guess it only makes sense that I would get into porn for a living. During my first shoot, I was pretty nervous to begin with, but after that first orgasm hit, I knew it was the job for me!

"In my personal life, it really turns me on when someone worships my feet. Kiss my feet and play with them, and I instantly get wet. Suck my toes, and I will melt. Go ahead, don't be afraid—I promise I won't kick you!"

MAGGIE

SHADOW PUPPET

HUSTLER CLASSIC
MARCH 1977

PHOTOGRAPHY BY
JAMES BAES

Finding **Maggie** propped unceremoniously on a sofa or easy chair, you might think of her as a puppet left lying about and forgotten in between playtimes. Hidden in the moody shadows, she comes to life only when you pull her strings. It takes a man's hands to change her droopy frown into an expression of womanly passion.

Each nook and cranny, only half-filled with sunlight, is the setting for your puppet play. **Maggie** can be positioned by touch, and as you move from shade to sunlight, she unfolds as a different character.

You can bounce her about and hurriedly change her costumes to suit her many moods: aloof or mysterious. Stubborn or playful.

A puppet like **Maggie** does not belong alone and tucked away in some dark corner. She belongs at the fingertips of a skilled puppeteer.

BEAVER® HUNT

EDITED BY MORGEN "TEX" HAGEN

ZOEY GREY

"I crave attention," avows Zoey Grey, 34, an actress, adult entertainer and singer from London, England. A college graduate to boot, the 5-foot-3 hottie goes on to tell us, "I'm outgoing, intelligent, energetic and loads of fun. I'm a party animal. I also fancy sci-fi novels, erotic anime, yoga and Transcendental Meditation. I marvel at the benefits of finding inner peace and tranquility." Zoey's mantra isn't "Fuck Me! Fuck Me! Fuck Me!" But those are the words her skin-biz partners and personal lovers are bound to hear as she puts her heart and soul into every amorous endeavor. Zoey asserts, "I love to tease, please and be pleased."

“My fantasy is having sex with a trans woman.”

ANNA TAME

“I became a HUSTLER fan because it has given countless women an uncensored platform to unleash and make a name in the adult industry,” says Anna Tame, a cam model from Toronto, Canada. “Your iconic magazine also helped pioneer explicit pornography, and it steadfastly challenges narrow-minded conservative values—something I’m all for too.” But the 5-foot-5 dreamboat needed a nudge to forgo a regular Jane livelihood: “Sasha Grey’s novel *The Juliette Society* helped inspire me to express my kinky sexuality and not feel shame when I decided where to channel all of my erotic urges.” Anna’s casual pastimes include cooking, baking, reading and watching true-crime shows, but she spends most of her waking hours as a true-blue sex goddess worthy of being worshiped. “My fave sexual activities are BDSM-related,” Anna reveals. “I’m a switch. As an extremely aggressive dom, I’m into giving orders, teasing, humiliating and cucking. When I’m submissive, I really get off on deep-throating while my face is slapped as I gag, being spanked while taking a thick cock up my ass and doing anything to raise the intensity level of the interaction with whom I’m playing with to make me feel more alive.” Anna adds, “I can be a huge brat too. I honestly adore a guy who can handle my bratty side, and extra points if he can tame me.”

"My wildest encounter was giving head and fucking in a cemetery late one night. Two of my many fantasies are doing a glory hole and having a therapist mind-fuck me into playing with him."

Birthday Delights

Making cameo curtain calls are a handful of Beavers celebrating birthdays in January. "The idea of showing off my naked body in a world-famous magazine like HUSTLER really turns me on," proclaimed XXX star Vinna Reed from Bruntál, Czechia. The onetime "bored and low-paid office assistant" and swimsuit model added, "I hope that every man looking at my pictures dreams about getting his dick sucked deepthroat-style, licking my pussy and fucking my brains out." Rayanna Lee from Jupiter, Florida, was a single gal when she told us, "I'm totally into rough sex while getting called all kinds of nasty names, and toys and handcuffs are always a turn-on. I'm taking boyfriend applications!" Kush—an "honest, clever and down-to-earth" cam model and true-blue HUSTLER fan from Waco, Texas—declared, "I've always gotten compliments on my body, so why not share it?" Sofia Rios—a VIP hostess from Las Vegas, Nevada—cooed, "Being admired by men and women when I'm nude delights me. As the iconic Marilyn Monroe once said, 'The body is meant to be seen, not all covered up.' I adore getting naked in nature. It creates a far more exhilarating feeling of freedom than being naked indoors." Exotic dancer Tiffany Hilton from Chicago, Illinois, disclosed, "I've sworn off booze, but not the right to choose what I do with my body. Being sober has made me more radiant, confident and sexy. Clothes are constrictive. Being naked is my comfort zone, and having a companion makes it even more delightful." Happy Birthday, ladies!

"I love doing porn. I can entertain my fans and be sexually gratified. What's more, I've been given an opportunity to inspire other ladies to be erotic performers."
